Hope Lives on Through Your Legacy.

October 19–25 is National Estate Planning Awareness Week, making now the perfect time to consider the legacy you want to leave. A thoughtful estate plan protects your loved ones while supporting the causes that matter most to you.

By including Roswell Park Alliance Foundation in your estate plan, you can help advance groundbreaking cancer research, innovative treatments and compassionate patient care — all without affecting your finances today.

A planned gift can be as simple as naming Roswell Park Alliance Foundation in your will or as the beneficiary of a retirement account, life insurance policy or other asset.
